## 2020 Year in Review

At GRRR we like to say that 2020 was a Golden year! Of course it was a tough year, however, our wonderful staff, dedicated volunteers, and members helped us to stay positive and to continue to help our beloved Golden Retrievers. For that, we are truly thankful.

We missed having most of our events and seeing many of you and your pups in person. We did have a fun Reunion Picnic in September which provided a welcome break, and we hope to see everyone at parties again this year.

We received fewer dogs than our average 250-300, ending the year with 209. Along with all shelters and rescues, the pandemic brought the heightened desire for furry companions. We've always had many more applications than available dogs, and the situation just drove up the demand. But GRRR never compromises its standards. We always have the best interest of the dog topmost when evaluating a potential adopter.

We brought in fewer dogs from Turkey, as Lufthansa flights from Istanbul to Denver were cancelled for most of the year. We're trying to transport dogs to other U.S. cities, but it is more difficult since we have to drive them back to Colorado. We continue to rescue former breeder dogs from various U.S. locations, with careful attention to safety precautions for our volunteer transporters.

GRRR held its first ever week-long Virtual Gala in July, complete with adorable videos from Host Golden Retrievers and a great silent auction. With lower expenses than a live event, we actually netted nearly \$174,000, more than we did in 2019. Although we'd love to see everyone in person, we plan to hold another virtual Gala from June 19-26, 2021.

Our other major fundraiser is the annual Colorado Gives Day. With all the financial hardships we saw around us, we debated what kind of goal to set for this event. In the end we decided to reach for the same \$125,000 goal we set in 2019 – and we nearly met it, coming in around \$120,000. And perhaps more meaningful was that we actually had more individual donations this year with 440. That tells us that even in tough times, our donors care so much about the work we do for Golden Retrievers that they find a way to contribute.

We continued doing quarterly online fundraisers which benefit our Golden Angels. These are the dogs who come in with major medical issues, and need

expensive veterinary care before they can be placed in their forever homes. Regardless of the pandemic, we always adhere to our goal of “never saying no to a Golden in need.”

As we look at 2021, we hope to see a gradual return to normal. With vaccines rolling out we think we can soon see more dog walkers at Phoebe’s Place and a return to our regular outdoor event schedules. As always, information will be posted on our website.
